

HANDWRITING PRACTICE

WORKBOOK

Trace · Write · Learn

This workbook belongs to

Contents

HOW TO USE THIS WORKBOOK

- 1 Use a sharpened pencil and sit comfortably with both feet on the floor.
- 2 Trace the dashed letters first, then write on your own in the lined space below.
- 3 Practice a page or two each day. Short, regular sessions work best.

1

Letter Formation

Trace uppercase and lowercase letters (Aa–Zz), trace three words per letter, then trace and independently copy a sentence.

pages 4–30

26 practice pages

2

Short Sentences

Build hand strength and fluency by tracing short, everyday sentences, then writing each sentence independently on generous lined space.

pages 31–51

20 practice pages

3

Fun Facts

Discover amazing facts grouped by theme. Trace each fact sentence, then write it independently. Themes: Ocean Life, Animal Groups, Amazing Animals, Science, Nature and History.

pages 52–82

30 practice pages

4

Sentence Starters

Trace a starter sentence, then use the writing prompt to write your own original, creative ending on the lined space provided.

pages 83–103

20 practice pages

5

Challenge Sentences

Read a longer sentence carefully. Then cover it and write the whole sentence from memory, with no tracing needed!

pages 104–124

20 practice pages

SECTION 1 OF 5

Letter Formation

Learn every letter of the alphabet step by step.

WHAT YOU WILL PRACTICE IN THIS SECTION

- ☐ Trace the uppercase and lowercase form of each letter (Aa – Zz)
- ☐ Trace three words that use the letter
- ☐ Trace a complete sentence and then write it independently

Warm-up: trace and write

Let's get started!

The Letter Aa

FORMATION GUIDE

Uppercase: **A**

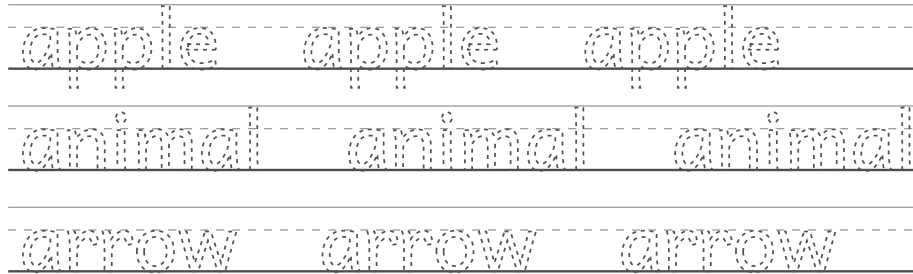

Lowercase: **a**

Words: apple, animal, arrow

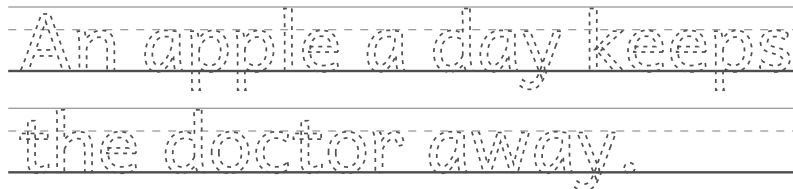

Step 1 — Trace the letters

Step 2 — Trace each word

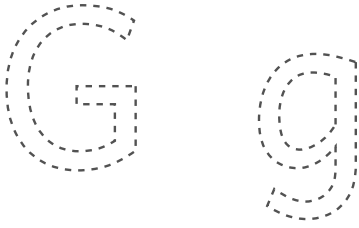

Step 3 — Trace this sentence

Now write it on your own

Blank lines for independent writing practice, consisting of three sets of three horizontal lines each.

The Letter Gg

FORMATION GUIDE

Uppercase: **G**

Lowercase: **g**

Words: gold, grape, globe

Step 1 – Trace the letters

Step 2 – Trace each word

gold gold gold

grape grape grape

globe globe globe

Step 3 – Trace this sentence

Giraffes are the tallest
animals on land.

Now write it on your own

Handwriting Practice

Trace the sentence, then write it on your own

Step 1 — Trace the sentence

The sun rises early
over the quiet hills.

Step 2 — Now write it on your own

Handwriting practice lines for Step 2. The page contains 10 sets of three horizontal lines (top, middle dashed, bottom) for independent writing practice.

Handwriting Practice

Trace the fun fact, then write it on your own

FUN FACT · OCEAN LIFE

Step 1 — Trace the sentence

A blue whale's heart is
as big as a small car.

Step 2 — Now write it on your own

Handwriting practice lines for Step 2. The page contains 10 sets of three horizontal lines (top, middle dashed, and bottom) for independent writing practice.

Sentence Starters

Trace the starter, then write your own creative ending!

WRITING PROMPT

Imagine you can soar anywhere. Where would you go?

Step 1 — Trace the sentence starter

If I could fly, I would...

Step 2 — Finish the sentence in your own words

Handwriting practice lines for Step 2. Each line set consists of a solid top line, a dashed middle line, and a solid bottom line. There are 10 such sets of lines provided for writing the sentence ending.

Writing Challenge

Read the sentence carefully, then write it from memory.

READ THIS SENTENCE

Ancient baobab trees in Africa can live for thousands of years and store water in their enormous trunks.

Cover the box above, then write the sentence from memory:

Handwriting practice lines consisting of solid top and bottom lines with a dashed midline. There are 10 sets of these lines provided for writing practice.
